

# **SPECIALS**

2/23/21 - 2/28/21

Join us this week as we raise money for the Litchfield Hills Rowing Club! LHRC was founded in 1978 to promote the sport of rowing for residents of Litchfield County and beyond. They are an integral part of our community and are very dedicated to making Litchfield County a more connected place. All funds raised will go towards equipment upgrades and scholarships for youth rowers. For every item sold off our specials, we will donate \$1 to the club. Help us support this amazing community-oriented organization!

## **SOUP**
